

Technical drawing of a cross-section of a reinforced concrete slab with a central circular hole. The drawing shows dimensions for the slab (180x180), the hole (S-Ø50), and the reinforcement bars (GF-30x30). The slab is divided into four quadrants by the hole. Dimensions include 75, 90, 180, 30, and 75. A label "-1.60" is present in the bottom-left quadrant. A section line "1-1" is indicated on the right side.
