

The image is a cadastral map of a plot of land. It features a grid with coordinates. The vertical axis (Y-axis) ranges from 409400 to 410000, with major grid lines every 200 units. The horizontal axis (X-axis) ranges from 641400 to 642200, with major grid lines every 200 units. A boundary line is drawn, starting at point 1 (approx. 641400, 409800) and ending at point 12 (approx. 642200, 409950). The boundary is composed of several segments, each labeled with a distance in meters (m). The segments are numbered 1 through 12. The boundary is labeled with 'Nr. cad. 73137' for the upper part and 'Nr. cad. 54916' for the lower part. A small area at the bottom left is labeled 'Nr. cad. 54917'. A north arrow is located in the upper right corner. The map also shows some internal lines and points, such as point 73 and point 74, which are connected to the main boundary line. The label 'Drum' is visible near point 74. The map is a technical drawing, likely a scan of a paper map, and it includes a scale bar at the bottom right.
